A Vahrokh Group Subsidiary

CEO Statement for public release

PRESS RELEASE

Thursday, February 09, YC114

Vahrokh's Emergency Relief Trust secured over 100 Billion ISK.

Jita IV – Moon 4 – Caldari Navy Assembly Plant.

It has been a great first birthday for Vahrokh's Emergency Relief Trust.

Thanks to a large number of generous Donors, the Fund has exceeded our expectations and secured over 100 Billion ISK in its first year of operation. Our Sister Funds secured about 5 Billions themselves.

With such amounts we have been able to provide a small yet quite tangible aid to the "PLEX for Good: Japan" charity initiative.

These numbers will reinforce and renew our continued commitment to providing the best Charity Services in New Eden.

Sincere thanks to the many selfless Donors who made this Institution possible,

Vaerah Vahrokha
President, Vahrokh's Emergency Relief Trust
